deposes and states as follows:

1. I am counsel of record for the defendant in

2. On December 2, 2005, this court entered

occurring on November 30, 2005. Undersigned's office was

served with the judgment on December 7. At sentencing there arose an issue concerning restitution, for which this court set a restitution hearing for December 13, 2005. Unfortunately, undersigned counsel believed given the pending restitution issue the judgment would not be "final" until the restitution issue was resolved by the court.

2. On December 7, 2005, after having discussed the possibility of an appeal with Ms. McLaughlin, I had a discussion with AUSA Randall regarding the issue of restitution. I believed, based upon that conversation, that Mr. Randall agreed that Hughey v. United States, 495 U.S. 411, 110 S.Ct. 1979, 109 L.Ed.2d 408 (1990), precluded the government's restitution request. On December 12 when I received the government's restitution brief, I learned differently.

3. Thereafter, given the government's new position on restitution, and the possibility that that issue, too, would need to be appealed, Ms. McLaughlin decided to pursue an appeal.
